

Bad Omens - The Death Of Peace Of Mind

tom:

Cm

I made another mistake
 Thought I could change, thought I could make it out
 Promises break, need to hear you say you're gonna keep it now

Cm

Ab

Fm

I miss the way you say my name, the way you bend, the way you break
 Your makeup running down your face, the way you touch, the way you
 Taste

When the curtains call the time will we both go home alive?
 It wasn't hard to realize love's the death of peace of mind

Cm

Ab

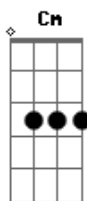

Fm

You're in the walls that I made with crosses and frames hanging
 Upside down
 For granted, in vain, I took everything I ever cared about

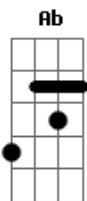

Cm

I miss the way you say my name
 The way you bend, the way you break
 Your makeup running down your face

The way you fuck, the way you taste

When the curtains call the time will we both go home alive?
 It wasn't hard to realize love's the death of peace of mind
 When the curtains call the time will we both be satisfied?
 It wasn't hard to realize love's the death of peace of mind
 Love's the death of peace of mind
 You come and go in waves leaving me in your wake
 You come and go in waves swallowing everything

Are you satisfied?
 Love's the death of peace of mind
 Mind, mind

When the curtains call the time will we both go home alive?
 It wasn't hard to realize love's the death of peace of mind
 When the curtains call the time will we both be satisfied?
 It wasn't hard to realize love's the death of peace of mind
 Love's the death of peace of mind
 Love's the death of peace of mind
