

# Bad Religion - Adams Atoms

Tom: G  
 Intro: Em D  
 Some live, some die  
 C G D C  
 Everybody wonders why we're here should even try  
 G D C G  
 Philosophies lost in the night

Verse1:  
 D C  
 A beacon in the distance, you gotta turn around  
 G D  
 Its vestige deeply flickers in elocution sound  
 D G  
 The modernist chronometer uptining underbound  
 C D  
 Pretensions of a higher ground

Chorus1:  
 C Em  
 Higher ground  
 G D Em  
 Intro: spectave paradise found  
 C Em G D Em  
 Adam's atoms resound

Verse2:  
 The economy of nature, the dead and shallow graves  
 The particles of happiness elude us in their names

Eternal is the night and day

Chorus2:  
 Night and day  
 Omnipresency those who fade  
 Adam's atoms remain

Break:  
 Em D C G D C G D  
 G

Verse3:  
 The righteous opposition has led us all astray  
 One side against the other, one loses one reclaimed  
 And if reconciliation eludes us every day  
 Then will we ever find a way?

Last Chorus:  
 C Em  
 Find a way  
 G D Em  
 Not without religion as gaze  
 C Em G D Em  
 Adam's atoms remain  
 C Em G D Em
