

# Bad Religion - American Dream

Tom: A  
Intro: A G C x4

Riff

Guitar 1 plays riff, guitar 2: A G E (HIGH)

I hate my family, hate my school, speed limits and the golden rule.  
hate people who aren't what they seem, more than anything else, American Dream.

G A G (HIGH)  
American Dream's gonna swallow you whole, it's bursting at the seam,  
G A A  
D

it'll sweep you away, so enjoy it today, tomorrow you'll be old thus useless.

A C G D A D A  
American Dream...  
American Dream...

A C D E  
American Dream, that's ok, 'cause no one dare give you away.  
I hate my job, I hate your god, I hate hypocrites and common slob.  
hate people who aren't what they seem, more than anything else, American Dream.  
promise me today I'll have a Chevrolet, with whitewalls on the side,  
one boy, one girl, comfortable lies  
the American Dream... American Dream...  
American Dream, that's ok, 'cause no one dare give you away.  
American Dream!  
(bleah!)
