Tom: **B**

Intro: **Abm E B Gb Abm E B Abm E B Gb Abm E Gb**

[Abm]I'm [E]so[B]rr[F#]y [Abm] a[E]bout the [B]sun  
 [Abm]How could [E]I [B]kn[F#]ow [Abm]that [E]you would  
 [F#]burn?

And I'm sorry about the moon  
 How could I know that you'd disapprove?

And I'll [E]never make [F#]the same mistake  
 The next time [B]I create the [F#]universe  
 I'll make [Abm]sure we communi[F#]cate at \[E]length[F#]  
 Oh [B]yeah[F#] [B]

But until [Abm]then, better off [E]dead  
 A smile on the [B]lips and hole in the [F#]head  
 Better off dead, yeah better than this  
 Take it away cuz there's nothing to miss

I'm sorry about the world  
 How could I know you'd take it so bad?

And I'll never make the same mistake

So if you're looking for a patsy  
 Why not try the entire human race  
 Just to play it safe

But until then, better off dead  
 A smile on the lips and a hole in the head  
 Better off dead, yeah better than this  
 Take it away cuz there's nothing to miss  
 Better off dead, yeah better off dead  
 Why don't you try pushing daisies instead  
 Better off dead, yeah better off dead  
 A smile on the lips and a hole in the head

And I'll never make the same mistake  
 The next I create the universe  
 I'll make sure you participate  
 Oh yeah

Guitar Solo (based around **Abm E B Gb**)

And I'll never make the same mistake  
 The next time I create the universe  
 I'll make sure you participate  
 Just in case
