

Bad Religion - Bored And Extremely Dangerous

Tom: **Bb**

By: Terry (BadReligion_B) Outro

Verse

I love this song.
 The way it "ends"....then plays again!!!
 Thats so cool!!

Chorus

I bet when you get it...you don't realize 'til one day you're
 in your car
 have it playing, and then you can't change it to another song
 because of stupid weather and then you realize!
 And it makes it just that more sweeter!
