

Bad Religion - Generator

Tom: C

(riff 1)

Like a rock Like a planet Like a fucking atom bomb

I've seen it...

oh yeah..

Like a rock, like a planet
 Like a fucking atom bomb
 I'll remain unperturbed by the joy and the madness
 That I encounter everywhere I turn
 I've seen it all along
 In books in magazines
 Like a trick before die
 Like a pornographic scene
 There's a flower behind the window
 There's an ugly laughing man
 Like a humminbird in silence
 Like the blood on my door
 It's the generator

Oh yeah, Oh yeah like the blood on my door
 Wash me clean and I'll run run until I reach the shore
 I've know it all along
 Like the bone under my skin
 Like actors in a photograpic
 Like paper in the wind
 There's a hammer by the window
 There's a knife on the floor
 Like turbines in darkness
 Like the blood on my door
 It's the generator (riff 1)
 Oh yeah, Oh yeah like the blood on my door
 Wash me clean and I'll run run until I reach the shore
 (A F C G) (2x)
 00000, 0000...
