

Bad Religion - Kerosene

Tom: **G**

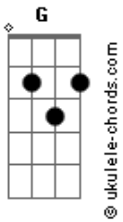

Verse Chords:

These are played in a very fast strumming pattern, just copy off the album as well as you can..

You play that a few times, then play the same thing with a small variation..

Now comes the chorus, with some really cool lyrics, as well. :-)

Acordes

I'm" "Kerosene... keeps me warm...

"alone to watch it burn... Kerosene..."

Now after doing that stuff a few times, (just follow the album) you will come across the "solo" section of the song, with a bridge of sorts followed by a guitar solo. You play the intro to the chorus just as you would if a normal chorus was to come about, but then you play this riff. These are the chords...
