

Bad Suns - Maybe We're Meant To Be Alone

Intro: Cm Eb Cm Eb Cm Eb Cm

[Primeira Parte]

I've got a picture perfect plan
 But I can't go in alone
 Are we whole or just two halves
 Reaching out to the unknown?

[Refrão]

No, I can't help my ways
 It don't make such sense to me
 All these cold and rainy days
 Maybe we're meant to be alone

I've got a voice inside my head
 And a feeling in my gut
 I don't know just who to believe
 When you're torn in two, who can you trust?

[Refrão]

No, I can't help my ways
 It don't make such sense to me
 All these cold and rainy days
 Maybe we're meant to be alone

Maybe we're meant to be alone

Maybe we're meant to be alone
 Maybe we're meant to be alone
 [Ponte]

And then I met you
 I wanna love you so bad
 But I don't know if I'll let myself
 You came here for somebody else
 And now I'm trying hard to heal
 Sometimes I fantasize about faking my own death
 Just to see how it would make you feel

No, I can't help my ways
 It don't make such sense to me
 All these cold and rainy days
 Maybe we're meant to be alone
 So what's wrong with my ways?
 Why can't it make sense to me?
 I'm sick of these rainy days
 Maybe we're meant to be alone

Maybe we're meant to be alone
 Maybe we're meant to be alone
 Maybe we're meant to be alone
 Maybe we're meant to be alone
 Maybe we're meant to be alone
 Maybe we're meant to be alone
 Maybe we're meant to be alone
 Maybe we're meant to be alone
