

Bad Wolves - Remember When

tom:

Cm

[Primeira Parte]

Ab

Remember when, when it was 1992

Two little kids stealing records, skipping school

We must have been like only ten

Taking life for granted till we learn it had an end

Ab

Remember when, and time is something they say

You never appreciate till you age

And to this day you never knew

I wanted to be just like you

[Refrão]

Cm Fm Ab Bb Cm

If I only knew, then what I know now

Then what I know now

Cm Fm Ab Bb Cm

Then what I know now

[Segunda Parte]

Ab

Remember when, when it was 2002

You started slinging coke

And had the dopest pair of shoes

But, yo, this house just ain't a home

Eb

Since our father hit the bottle

And our mother hit the road

And time is something they say

You never understand until it slips away

And looking back I think you knew

I wanted to be just like you

[Refrão]
