He said not me sir, I could not care, in fact I would not try

Protest would not take me far, it's different me not being a star

B D A  
I lock my feelings in a jar, until another day

A Bm Gbm Dbm  
Comfort me dear brother, would you tell me what you know

D A G D  
Somewhere in this paper world, is a place where I can go

A Bm Gbm Dbm  
Oh, long awaited mother is it time to make your show

D A G D  
and take your babies to your breast, knowing them will pass the test

All our sin's should be confessed, before we carry on

No, don't confuse me, for I know it's the name of the game

A Bm Gbm Dbm  
Got up on my pillow and I looked up at the sun

We burned your sacred willow and our battles we have won

I lock my feelings in a jar, until they go away.
