

Badulaque - Pra Dançar

tom:

G

C

Dm

Pra dançar basta ter barulho
 Pra bater, bata até na mão
 Tirar som de qualquer entulho
 Tirar som, nossa diversão

Quem canta

C A7

Seus males espanta yeah!

Vem dançar

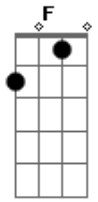

Zica sai pra lá

Abra o peito e solte

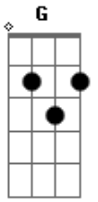

Todo o ar enquanto canta

Não me espanta se o seu corpo chacoalhar
