

# Joan Baez - Rainbow Road?

Tom: E

I was born a poor poor man  
 All my life I had hard workin' hands  
 But I sang a song as I carried my load  
 Cause I had a dream about a Rainbow, Rainbow Road

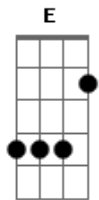

Then one day my chance came along  
 Man heard me singin' and playing my songs  
 He bought me fine clothes, paid the money I owed  
 there is no dream about the rain, Rainbow Road

Sent me on my way to rain, Rainbow Road

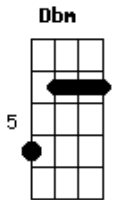

Then one night a man with a knife  
 Pushed me untill I had to take his life  
 Now I plead so desperated  
 Judge show no mercy when he passed his sentence on me

Now I pull this ball `n chain  
 Wearing a number for my name  
 My dreams like me I'm growing old  
 there is no dream about the rain, Rainbow Road
