

Bahamas - Lost In The Night

Tom: D
Intro: D A D
A D A G

A D D
I'm lost in the light
A D D
I pray for the night
A D A G
To take me, to take me to
A D D
After so many words
A D D
Still nothing's heard
A D A G
Don't know what we should do
D A G A D
So if someone can see me now, let them see you

A D D
It was my greatest thrill
A D D
But we just stood still
A D A G
You let me hold your hand 'til I had my fill

A D D
Even countin' sheep
A D D
Don't help me sleep
A D A G
I just toss and turn right there beside you
D A G A D
So if someone could help me now, they'd help you too.
G
They'd help you to
A
See you through
D G

All the hard things we've all gotta do
Cause this life is long G
And so you wouldn't be wrong A
Bein' free, leavin' me on my own D A G
A D D
And I held my own
A D D
Still I rattled your bones
A D A G
I said some awful things and I take them back

A D D
If we would try again
A D D
Just remember when
A D A G
Before we were lovers, I swear we were friends
D A G A D
So if someone could see me now let them see you
G
Let them see you
A
See you through
D G
All the hard things we've all gotta do
G
'Cause this life is long
A
So you wouldn't be wrong
D A G
Bein' free here with me on my own
