C tom:

Baby I'mma say, baby I'mma say that I
 I'm so strong
 Is everything for me? Is everything for me?
 But I want more
 I want these colors and these shapes

Giving life to my yard, oh Lord
 Is everything for me? Is everything for me?
 But I want more
 Don't stop singing, don't stop singing
 Sing to me sing to me
 Don't stop singing, don't stop singing
 Sing to me sing to me
