

Bahsi - World Outside

Tom: G

She put him down
 She learned the trick
 She knows there's a world outside yeah
 (Dbm A Gbm Ab)

She is not thinking about you
 No no, she's digging too deep
 No matter what you do
 She already got your trick

She's leaving now for a while
 Outside the bubble again
 Stepping over the lines
 Lines sad lines

It's a family thing

They do care about their name
 No matter what she wishes for
 Must not bring them shame

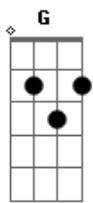

She is leaving now for a while
 Outside the church again
 Stepping over the lines
 Lines sad lines

[Refrão]

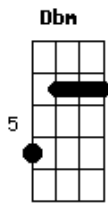

I will let it out
 Will let me feel this way, unique
 Have you done less
 Than you wanted just to fit in?

She is not coming now
 She is not around
 Don't wait, don't wait, don't wait
