tom:

 Intro: Am C F C

[Primeira Parte]

We've been swingin' and missin'  
 It ain't broke yet, but damn, it needs fixin'  
 Been a while since your kiss felt like kissin'  
 It's just different  
 And we've been talking 'bout forever since we been together  
 Something 'bout a ring, makes you think we're better off with  
 All this but we're caught in

[Refrão]

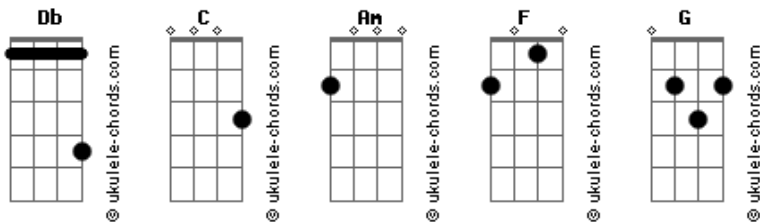

Between a rock and a hard place  
 Red wine and mistakes  
 Tears rollin' down your face  
 When I walked out that door

That's when I lost it  
 A midnight in Austin  
 Damn I'm exhausted  
 What the hell's this all for?  
 Is this where it m?nds or it breaks?  
 Between a rock and a hard place

[Segunda Parte]

For th? record shit  
 Throwin' in the towel takes some effort  
 So I'd rather ride it out for better weather  
 Together
