

Baio - Sister Of Pearl

tom:

G

[Primeira Parte]

Bb Think I might forget it
C Better write it down, down down
Bb If you just regret it
C Don't bring your ass around, 'round, round
Bb It is what it is,
C Until it was what it was
Bb So just keep on dreaming
C If only because, cause, cause

[Pré-Refrão]

Bb I can tell by the look you that you mean what you say
F Like a sentimental crook it's tough to get away
C If it even would matter I would play every part
Bb But I'm too over eager and I've just fall to start

[Refrão]

Bb Oh sister of pearl, I wouldn't change
C You for the world
Bb Oh sister of pearl, I wouldn't change
Dm

You for the world

[Segunda Parte]

Bb Think I might forget it
F Gonna write it down, down, down
Bb If it goes beserk
C Bring it back around, round, round
Bb I'm tired of fighting
C Another man's pointless war
Bb So please keep up with it
C Just like you have done before

[Pré-Refrão]

Bb I can tell by the look you that you mean what you say
F Like a sentimental crook it's tough to get away
C If it even would matter I would play every part
Bb But I'm too over eager and I've just fall to start
