tom:

Hoje eu quero mergulhar no mar  
 E abrir os meus olhos sem temer  
 O Sol meu cabelo dourar  
 E a minha pele escurecer

( G D7 G D7 )

Hoje eu só quero te namorar  
 Mesmo que impossível seja o amor  
 Assistir o dia acabar  
 Invadindo a noite de calor

( G D7 G D7 )

As ondas que quebram sobre mim  
 (As ondas que quebram sobre mim)  
 São as mesmas de todo lugar  
 (São as mesmas de todo lugar)  
 Céu aberto, imenso jardim  
 (Céu aberto, imenso jardim)  
 Ao sabor do tempo que passa

( G D7 G D7 )

Olha a chuva! É verdade!

El caballero de la tierra  
 Mañana tengo que trabajar  
 Trágame, trágame, trágame água  
 Trágame, trágame, trágame el mar

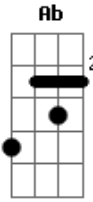

Soy bala deseo, soy bala deseo  
 Soy bala deseo, soy bala deseo  
 Soy bala deseo, soy bala deseo  
 Soy bala deseo, soy bala deseo

Água!
