

Bananas Caipiras - Autoestima

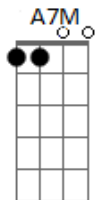

tom:

Dbm

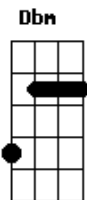

Eu devia depositar menos tempo nessas músicas
 E mais tempo na minha autoestima
 Eu devia estudar mais é melhor chorar no escuro
 Quem sabe em cima de um muro

Não vá embora sem cuspir na minha cara
 Você me deixa nu
 Não vá embora sem cuspir na minha cara
 Você me deixa nu

Mas quando a chuva passa
 Eu fico tão legal
 O amor voltou pra mim
 Eu tô sensacional
 Você me dá a mão
 E eu fico marginal
 O amor voltou pra mim
 Eu tô sensacional
