

Banda da Hora - Não Consegui Ficar

tom:

Intro: Dm Dm Dm Bb7M A7

Roubei o coração de uma espia
 Que revelava senhas no olhar
 Foi minha gueixa, concubina e cortesã
 Mesmo assim não consegui ficar

Estrelas tomam o céu de Itacaré
 O sol beija o mar lá em Jeri
 Eu posso ir pra qualquer canto que eu quiser
 Por que vou ficar parado aqui?

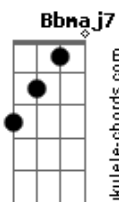

Amei uma sereia de areia, o mar levou

Ainda hoje ouço ela cantar
 Uma cigana era uma fogueira e me queimou
 Mesmo assim não consegui ficar

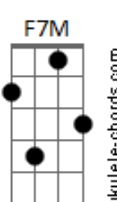

Não
 Devo a ninguém
 Vou pra onde aponta
 O meu nariz

Sou
 De onde estiver
 Que lugar nenhum
 É meu país
