

# Banda Eva - Flores

Tom: C

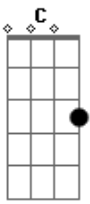

Intro: C Bb A7 Dm7 G7

Já me feri no espinho daquela flor  
 Já lhe dei beijos que marcaram nosso amor  
 Queria ser Romeu e Julieta no passado  
 Um sonho épico que eleva o ser amado meu bem  
 Lhe dei amores, venci rumores  
 Dessa moçada careta

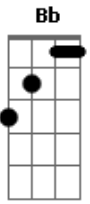

Que não quer saber de amar, porém  
 Nunca amei ninguém, mas você é quem?  
 Eu que ando criando em meus sonhos  
 Castelos de areia  
 Nunca amei ninguém, mas você é quem?  
 Me afogava num mar de ilusão  
 Sou sua sereia  
 Já lhe dei flores que brotaram em meu jardim  
 Você brincou de bem-me-quer mal quer saber de mim
