

Banda Eva - Lugar da Alegria

Tom: A

(intro) (repete 2x cada trecho)

(A Bm Gbm Bm D Bm D E)

Eu quero o que se dá do seu, do meu
 Não quero entender, eu quero mais
 Eu vivo de sentir o que no coração dá paz
 Eu quero me entregar pro seu olhar
 E ver o seu bonito transparecer

Lugar da alegria entre nós, beijar você

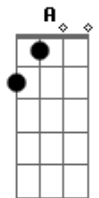

Quem diria, o brilho do amor chegar
 Plantar nesse lugar uma flor de sentimento
 Você dizia que a luz que morava em mim
 Iluminava o teu jardim no peito e o coração ficou feliz

Pra viver, pra voar, permitir, desaguar
 O querer, o sonhar e o coração ficar feliz

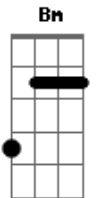

(solo metais) A Bm A Bm D7 Gbm D7 Gbm Bm C E
