

Banda Flor Serena - Saudade Boa

Tom: G
Intro: C Db G E7
Am D7 Dm
G7 G D7

Quem foi que disse que a saudade não é boa

E que ficar pensando nela me fará sofrer
É que viver é uma arte

E a saudade então faz parte de quem perceber

Todo momento bem vivido traz lembrança

Põe no peito a esperança que se deve ter

Pois a saudade é uma janela pro passado

Meu coração focado em querer tudo outra vez

Pensando nela vou me amarrando nessa tal felicidade

Achando graça por sentir tanta saudade

A estrada é bela, a vida é curta, o tempo voa

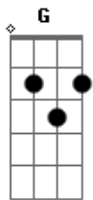

Tô indo agora cuidar da vida

Pois a vida em permanente

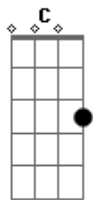

Te encontrar pra festejar pois o presente

Daqui a pouco vai virar saudade boa
