

Banda-fôrra - Momento/Movimento

Tom: G

se até o mar levanta
para bailar com a lua cheia
se o vento faz a folha
se requebrar, balé na veia

meu teu corpo afora
me incendeia jazz
nuvem de poeira pra trás
nau, vela, gás

Em7

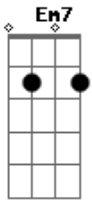

se faz chover
ou se faz rodopiar
ou serpenteia
se me faz crer
ou se te faz rebolar
ou vira areia

meu teu corpo afora
me incendeia jazz
nuvem de poeira pra trás
nau, vela, gás
