

Banda GDC - Amor Maior

Tom: G

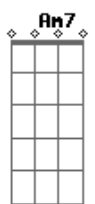

Quero aprender os conceitos de um amor verdadeiro
 Porque Deus criou um mundo tão perfeito
 Quero entender, preciso entender
 Vejo esse amor nos mais lindos campos, em uma flor à brotar
 No mais alto e afinado canto de um sabiá, numa estrela do céu, numa estrela do mar

Filho, amado meu, faço tudo por você, dei minha vida por você
 Não tem como entender, não há como explicar
 Amor maior que este não há
 Não tem como entender, não há como explicar
 Amor
