

Banda H2Ovos - You Left Me

tom:

Intro: Gbm Bm Gbm Gbm

I dont know

Why you had to go

I didn?t know

What is to be alone

I didn?t know

I don?t know

What i did wrong

Cause i never

Talked about your thoughts

So i don?t know

All that i know

Is there i miss you

All that i know, is it hurts

Try to understand me

That i live all my life for you

And for no reason

You left and i falling down

You left me just before i said

I love you

I love you

[Solo] A G Gbm Bm Gbm

Easily

You left me down the dumps

I?m not sure

If i can resist

I felt so lonely

I gave it up

Before being strong enough

I saw the pain

When you fell apart

I felt my weakness

Listen to me

And comeback home

Look straight to me

Cause i know

When i wake up

I will give up, on this dreams

When i work it up

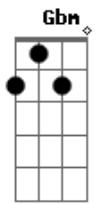

I will find another way

I will find another way to go

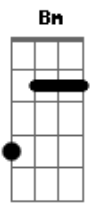

Without you, without you

[Final] A G A G
A G A G A
