

# Banda Mel - Trem Bom

Tom: C  
Intro: C D G

Essa sensação que me domina, menina

Não é a mesma que domina o coração

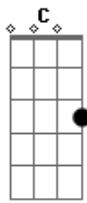

É como se fosse a flor de cheiro

Que carrega o dia inteiro o cheiro da provocação

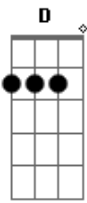

Êta, que trem bom, é cheira flor  
Quando penso nela, me sobe um calor  
Na saudade, ela me deixou  
Na saudade, ela me deixou

Tá danado, tá danado  
Tá danado, tá danado de bom
