

Banda Seguinte - Capítulo Amar

Tom: G

Jamais entenderei o capítulo amar.

Como os livros que escondem seus segredos
 A luta por amor oculta nossos desejos

Duro sentimento...
 Descrito em diversas linhas
 De diversos escritores
 De diversos livros

Cada página que viramos
 Cada melodia que tiramos
 Nos tornará aquilo que aclamamos

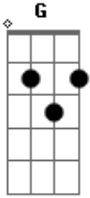

Que não passam de um rascunho.
 Rascunho de um livro
 Maior que tende a explicar
 O que seria o amar.

 Quero achar, quero achar, quero achar
 Alguém para adorar,
 Mas como viajar sem se preocupar,
