

Banda Universos - Alma Aflita

tom:

Intro: F F2 F

Senhor, hoje eu vim falar Contigo

Eu não sei o que há comigo

Pra estar vazio assim

Senhor, meu olhar está molhado

Meu sorriso tão calado

Me perdi dentro de mim

Senhor, a minh?alma está tão triste

Ela pensa que partistes

E a deixastes em solidão

(Cm Am Gm C)

Senhor, o meu ser está sofrendo

Vem depressa, vem correndo

C7 F

Alegrar meu coração

Senhor, há momentos é verdade

Que a gente tem vontade

De deixar tudo e fugir

E muitos vão morrendo nesta vida

Sem esperança e sem guarida

Eu, porém, confio em Ti

Senhor, a minh?alma está tão triste

Ela pensa que partistes

E a deixastes em solidão

(Cm A7 Gm F)

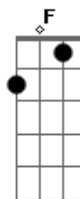

Senhor, o meu ser está sofrendo

Vem depressa, vem correndo

C7 F Bb7 Cm7 F

Alegrar meu coração
