

# Banda Universos - I Should Have Known Better

tom: ( C C F G )

C

And I should have known better  
To lie with one as beautiful as you

Yeah, I should have known better  
To take a chance on ever losing you

But I thought you'd understand, can you forgive me?

I saw you walking by the other day  
I know that you saw me, you turned away and I was lost

You see: I've never loved no one as much as you  
I've fooled around but tell me now just who  
Is hurting who?

And I should have known better  
To lie with one as beautiful as you

Yeah, I should have known better  
To take a chance on ever losing you

But I thought you'd understand, can you forgive me?

I, I, I, I, I, I, I, I, I, I, I  
Should have known better  
I, I, I, I, I, I, I, I, I, I  
Should have known better

It's true, I took our love for granted all along  
And trying to explain where I went wrong, I just don't know

I cry but tears don't seem to help me carry on  
Now there is no chance you'll come back home  
Got too much pride

And I should have known better  
To lie with one as beautiful as you

Yeah, I should have known better  
To take a chance on ever losing you

But I thought you'd understand, can you forgive me?

I, I, I, I, I, I, I, I, I, I, I  
I, I, I, I, I, I, I, I, I, I, I

( C C F G )  
( C C F G )

No, no, no, no, no, I love you!  
No, no, no, no, no, yeah!

And I should have known better  
To lie with one as beautiful as you
