

Banda Universos - I Should Have Known Better

tom:
 C
 And I should have known better
 To lie with one as beautiful as you
 Yeah, I should have known better
 To take a chance on ever losing you
 But I thought you'd understand, can you forgive me?
 I saw you walking by the other day
 I know that you saw me, you turned away and I was lost
 You see: I've never loved no one as much as you
 I've fooled around but tell me now just who
 Is hurting who?

And I should have known better
 To lie with one as beautiful as you
 Yeah, I should have known better
 To take a chance on ever losing you
 But I thought you'd understand, can you forgive me?

I, I, I, I, I, I, I, I, I, I
 Should have known better
 I, I, I, I, I, I, I, I, I, I
 Should have known better
