

BandaDIZ - Luz

Tom: G

Por sobre as nuvens tentando respirar

Suspendendo o tempo de pousar

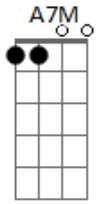

Se rarefeito não importa

Esse é o dia que sonhei pra mim

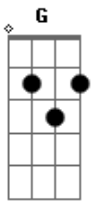

Luz que acende minh'alma, quando diante estou

D E
Tens meus sentidos e entendes
Gbm E
Dos meus sonhos e da minha dor
Gbm E
Sem esperar asas se partiram
Gbm E
Tudo tem sua hora, tudo tem seu dia
D E Gbm E
Luz que acende minh'alma, quando diante estou
D E
Tens meus sentidos e entendes
Gbm E
Dos meus sonhos e da minha dor
