

Bandit Heart - Dont Let Me Go

Tom: A

There is a devil in the dark
 One hand on my throat
 And one on your heart
 Love is the mercy covering me
 Once was blind and now i believe
 refrão:
 So don't let me go
 Don't let me go

Face to face time stands still
 Who you want is who you need
 Just give in

The taste is on the tip of your tongue
 Feed this fire burning me up

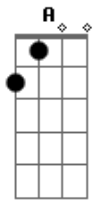

refrão:
 So don't let me go
 Don't let me go

Come back, come back
 Come back
 Come back, come back to me

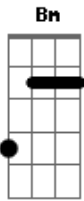

refrão:
 Don't let me go

Run to me in the rising dawn
 Forever we'll be holding on
