Savage love, did somebody, did somebody break your heart?
 Lookin' like an angel, but you're savage love
 When you kiss me, I know you don't give two fucks

But I still want that
 If I woke up without ya, I don't know what I would do
 Thought I could be single forever 'til I met you
 Usually don't be fallin', be fallin', fallin' fast
 You got a way of keepin' me comin' back-to-back
 I just found out, the only reason that you lovin' me
 Was to get back at your ex lover, but before you leave
 Usually I would never, would never even care
 Baby, I know she creepin', I feel it in the air

Every night and every day (every day)
 I try to make you stay, but you're

Savage love, did somebody, did somebody break your heart?
 Lookin' like an angel, but you're savage love
 When you kiss me, I know you don't give two fucks

But I still want that
 Your savage love
 Your savage la-la-love
 Your savage la-la-love
 You could use me

'Cause I still want that (your savage love)
