

Banks - Brain

Tom: D

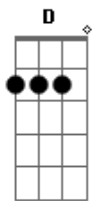

But it's all the same Cm7
 I could have foreseen D
 That you would act like you are Em
 Oh so cool you seem Cm7
 Blending with that scene D
 Wearing what you think is hard Em
 Ooh, ah, ah, ah ay ya Cm7
 Ooh, ah, ah, ah ay ya Bm7
 Ooh, ah, ah, ah ay ya Em
 Ooh, ah, ah, ah ay ya Em

I can see you struggling Cm7
 Boy, don't hurt your brain Bm7
 Thinking what you're gonna say Em
 Cause everything's a game Cm7
 Always trying to calculate Bm7
 Trying to look smart but not too smart Em
 To threaten anything they say

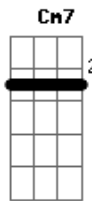

Ooh, ah, ah, ah ay ya Cm7
 Ooh, ah, ah, ah ay ya Bm7
 Ooh, ah, ah, ah ay ya Em

Ooh, ah, ah, ah ay ya
 But it's all the same Cm7
 I could have foreseen D
 That you would act like you are Em
 Oh so cool you seem Cm7
 Blending with that scene D
 Wearing what you think is hard Em
 Ooh, ah, ah, ah ay ya Cm7
 Ooh, ah, ah, ah ay ya Bm7
 Ooh, ah, ah, ah ay ya Em
 Ooh, ah, ah, ah ay ya
 I can see you struggling Cm7
 Boy, don't hurt your brain Bm7
 Thinking what you're gonna say Em
 Cause everything's a game Cm7
 Always trying to calculate Bm7
 Trying to look smart but not too smart Em
 To threaten anything they say
 Ooh, ah, ah, ah ay ya Cm7
 Ooh, ah, ah, ah ay ya Bm7
 Ooh, ah, ah, ah ay ya Em
 Ooh, ah, ah, ah ay ya
