Banks - Crowded Places

Tom: C Intro: C Hey, hey, hey, hey Hey, hey, hey, hey Hey, hey, hey, hey Hey, hey, hey, hey I wanna get you in my spaces I wanna take you different places I know the touring is romantic I know you see me as a frantic girl But I can give you what you want I know you like the way I held my temper When I gave you to the world, gave you to the world I can be your heart to let go 'Cause I've been scared of crowded places Come with me, I'll take you home 'Cause I've been scared of crowded places Am Come with me, I'll take you home I know I messed with your head It was just when I left you When I was just blowing up and when I said Am Remember when I loved you right before that tour? You said you didn't want to see me anymore and С Then when I got home when I played that show in LA All your shit was gone, It was the only time I thought I'd made a mistake Am And when I only want to hold you I thought I wanted you to hold me 'Cause I've been scared of crowded places

Acordes

Come with me, I'll take you home 'Cause I've been scared of crowded places Come with me, I'll take you home It falls to death so talk with me This life, what if it's you and me? Am Don't know, oh no Maybe that means we'll fall from grace It'd be ok, I'd have your face with me You'll see (you'll see, you'll see, you'll see) 'Cause I've been scared of crowded places Am I've been scared of crowded places 'Cause I've been scared of crowded places Hey, hey, hey, hey Hey, hey, hey, hey Am Hey, hey, hey, yeah Hey, hey, hey, hey Hey, hey, hey, hey

Hey, hey, hey, hey
