Tom: D

<sup>Bm</sup> Open up your eyes <sup>G</sup>

<sup>D</sup> You could have kept my love

<sup>Bm</sup> Ode to my two thighs <sup>G</sup>  
<sup>Em</sup> I still want you to kiss 'em cause they're lonely  
<sup>Bm</sup> And why are you so surprised? <sup>G</sup>  
<sup>Em</sup> And when I said "I miss you," you never believed me?  
<sup>Bm</sup> And we were so depressive <sup>G</sup>  
<sup>Em</sup> You and me together we were gemini feed

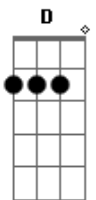

<sup>G</sup> And we were so depressive <sup>Em</sup>  
<sup>Bm</sup> We were so depressive  
 We were so depressive, hey  
<sup>G</sup> And to think you would get me to the altar <sup>Em</sup>  
<sup>Bm</sup> Like I follow you around like a dog that needs water <sup>D</sup>
