 Follow me to my bed
 Dbm B Gbm7
 'Cause every time you fall, I'll be holdin' your head up
 Dbm B Gbm7
 And when will you get tired of feeling bad?
 Dbm E
 And every time you fall, fall on me
 Dbm B Gbm7
 Follow me to my bed

Dbm B Gbm7
 'Cause every time you fall, I'll be holdin' your head up
 Dbm B Gbm7
 And when will you get tired of feeling bad?
 Dbm E
 And every time you fall, fall on me

(OBS: prefira o E com pestana, sexta casa)

He's so hollow
 Well baby, made him blind until he wasted fate
 So I'm left behind until he curse my sorrow
 But I know on mother earth I see the weather

So I won't let you burden in all my safest places
 I, I covered all the bases
