 Winter's calling **E2**
Badd9
 Night has fallen **Gb** **Abm** **Gb**
 Could you always come around? **E2**
 Falling backwards **Badd9**
 Sinking faster **Gb** **Abm** **Gb**
 Lost disaster on the ground
Badd9 **Dbadd9**
 Turn this darkness into sparks **Ebm7**
 Like blazing hearts **E**
 I tell you darling
Badd9 **Gb**
 All I know **Abm**
 When the nights grow cold **Ebm7**
 And it's all gone to rust **Badd9**
 We can turn it into gold dust **Gb**
 Far from home **Abm**
 With these aching bones **Ebm7**
 Are you just out of love?
 We can turn it into gold dust
E2
 Tired like a broken arrow **Badd9** **Gb**
 Straight and out of aiming careful **Abm** **Gb**
 And miss the mark **E2**
 All I carry **Badd9**
 Silver lining **Gb** **Abm** **Gb**
 Crashed like lightning flash in the dark

Badd9 **Dbadd9**
 Turn this darkness into sparks
Ebm7
 Like blazing hearts

 I tell you darling
