

Banners - Heads and Tails

D tom:

D Gbm

Home on the second floor

Where it's crystal clear

It's the light you get

From a burnt-out chandelier

And the air is cold

It's coming through the door

But I got you so darling I'm staying here

With everything, you never really know

Whenever there's a trouble on the road

Wherever you go that's where I'll go-oh-oh

All you hear is emptiness and noise

Hanging on the fall of a coin, I'm here

Whatever you choose, I'll be with you-oo

G D Don't lose your faith

Gbm G It's all just heads and tails

D We'll turn and face

Gbm G Whatever comes our way

D It's all just heads and tails

D Gbm Hope, in your tired eyes

G Fight against the tide

Let it rise and fall and

I'll be here by your side

D Gbm All I want to say

G Is, we'll be ok

'Cause we'll hold it together

Hold on together

Bm Gbm Pushing on the wheel until it turns

G 'Cause everything is us against the world we're here

Whatever you do I'll be with you

G D Don't lose your faith

Gbm G It's all just heads and tails

D We'll turn and face

Gbm G Whatever comes our way

Em A Darling take my hand

Em I need nothing more

A We'll call it in the air

G And catch it as it falls

G D Don't lose your faith

Gbm G It's all just heads and tails

D We'll turn and face

Gbm G Whatever comes our way

G D Gbm Ooh, ooh, woo

G D Gbm Ooh, ooh, woo

G Ooh
