

Banners - Heads and Tails

D tom:

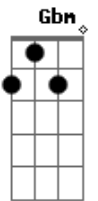

Home on the second floor
 Where it's crystal clear
 It's the light you get
 From a burnt-out chandelier
 And the air is cold
 It's coming through the door
 But I got you so darling I'm staying here
 With everything, you never really know
 Whenever there's a trouble on the road
 Wherever you go that's where I'll go-oh-oh
 All you hear is emptiness and noise
 Hanging on the fall of a coin, I'm here
 Whatever you choose, I'll be with you-oooh
 Don't lose your faith
 It's all just heads and tails
 We'll turn and face
 Whatever comes our way
 It's all just heads and tails
 Hope, in your tired eyes
 Fight against the tide
 Let it rise and fall and
 I'll be here by your side

All I want to say
 Is, we'll be ok
 'Cause we'll hold it together
 Hold on together
 Pushing on the wheel until it turns
 'Cause everything is us against the world we're here
 Whatever you do I'll be with you
 Don't lose your faith
 It's all just heads and tails
 We'll turn and face
 Whatever comes our way
 Darling take my hand
 I need nothing more
 We'll call it in the air
 And catch it as it falls
 Don't lose your faith
 It's all just heads and tails
 We'll turn and face
 Whatever comes our way
 Ooh, ooh, woo
 Ooh, ooh, woo
 Ooh
