

Barbara Dickson - Here There And Everywhere

```
Am7
                                                            But to love her is to need her everywhere
  Tom: Sol maior (G)
                                                                                                     G Am7
Intro: d.: G
                                                            Knowing that love is to share
                                                                                                              В7
                                                            Each one believing that love never dies
To lead a better life,
                                                            Am7 D7
                                      Am D7
I need my love to be here
                                                            Watching her eyes, and hoping I'm always there
                                              G Am7
                                                             F7
                                                                          Bb
          making each day of the year
                                                            I want her everywhere
Bm
                     C
                                        Gbm7
                                                                       \mathsf{Cm}
Changing my life with a wave
                                                            And if she's beside me I know I need never care
                                    of her hand
          В7
                                                     Am7 D7
                                                                               D7
                                                                                                                    Am7
            deny that
                          there's something there
Nobody can
                                                            But to love her is to need her everywhere
G Am7 Bm
                              C
                                                                                     C
                                                            Knowing that love is to share
            running my hands through her hair
                                                                                                              B7
There,
                                                         B7 Each one believing that love never dies
Both of us thinking how good
                                    it can be
                                                                                 B7
                                                                                        Em
                                   Em7

                                                            Watching her eyes, and hoping I'm always there
Someone is speaking,
                      but she doesn't know
                                                he's there
                                                                            Am Bm
            Bb
                                                            I will be there,
                                                                               and everywhere
I want her everywhere
                                                            G Am7
                                                                               Bm C G
                               D7
                                                            Here, there, and everywhere
          Cm
And if she's beside me I know I need never care
