

Barbara Dickson - I've Never Been In Love Before

```
that's all too strange and strong
Tom: D
                                                                 But this is wine
  Bm7 Db7 Gbm Gbm7 B7 D Bm7 E7

Intro: E7 E7/13- A Gbm Bm7 E7 A7M Gbm Dbm7 Gb7 Bm Bm7 Bm7 E I'm full of foolish song, and out my song must pour

E7 E7/13- A Gbm Bm7 E7 A7M Gbm
                                                                E7 E7/13- A Gbm
                        E7 A7M Gbm
                Bm7
                                                                 So please forgive
                                                                                     this helpless haze I'm in
I've never been in love | Dbm7 Gb7 Bm Bm7
              been in love before
                                                                    Dbm7 Gb7 Bm Bm7 Bm7 E
                                                                 I've really never been in love before.
Interlude: E7 A Gbm Bm7 E7 A7M Gbm E7 E7/13- A A7M A7 A7
Now all at once it's you
                                                                    Gdim D7M Gbm Bm75 E7 A7M Dbm G
this is wine that's all too strange and strong
   E7 E7/13- Dbm7 C7 F7M E7
                                                                                                    E7 A7M Dbm Gbm
It's you for evermore
                                                                But this is wine that's all too strange and strong
Bm7 Db7 Gbm Gbm7 B7 D Bm7 E7
E7 A Gbm Bm7
                        E7
                                                                I'm full of foolish song,
F7 F7/13- A Gbm Bm7
I've never
               been in love before
                                                                                                and out my song must pour
                                                                                             Bm7 E7 A7M Gbm
 Dbm7 Gb7 Bm Bm7
                                                                E7 E7/13- A Gbm
                                                                                     this helpless haze I'm in
                                                                 So please forgive
I thought my heart was safe
            E7/13- A
                              A7M A7 A7
                                                                    Dbm7 Gb7 Bm Bm7 Bm7 E
I thought I knew the score
                                                                 I've really never been in love before
   Gdim D7M Gbm Bm75
                                     E7
                                               A7M Dbm Gbm
