Intro: C  G  C  F

[Primeira Parte]

F                         C
Sometimes life can be a royal pain
F                 Am              G
Nowhere to hide when everybody knows your name
F     C        Am            G
One small trip and fall makes the evening news
F         C
Princess in distress
Am           G
Whats a girl to do?

[Refrão]

 G       C
I wanna be someone
G              F
Feel something so different
         C         G            F
I wanna throw my head back into the wind
        Am       G
I wanna jump out of my skin
     Am              D
Into what Ive never been
    F
So free
   G      C G C  F
Another me

[Segunda Parte]

F                         C
Its not always good to be ignored
F                 Am                G
Sure would be nice to have somebody hold the door
F     C        Am
Look me in the eyes
              G
And say with meaning
F      C       Am
You, me, destiny
              G
Or am I dreaming?

[Refrão]

 G       C
I wanna be someone
G         F
Feel something so different

```
               C         G            F
I wanna throw my head back into the wind
        Am       G
I wanna jump out of my skin
     Am              D
Into what Ive never been
    F
So free
   G      C G
Another me

[Ponte]

Em                        F
   They say the grass is greener
Em                        F
   But its much more than that
D                  F
   I wonder what Ill see there
D                 F
   And can I bring it back?
