

# Barbie - Light Up The World

tom:

C

When I was younger, yesterday  
 Am Things were simple, things were safe  
 Em I never dreamed that I could see a better life for you and me  
 Am Everyone told me to stay

G I held my breath, I made the leap  
 Am Opened a door I'd never seen  
 Em I took a chance, I made it through  
 C Now everything is coming true  
 Am And this is what it's like to be

G Out of my shell  
 D Just like a pearl Luminous, rare  
 C Light up the world  
 G Right in the swell  
 D Still the same girl  
 Am Making things better, better, better  
 C Light up the world

G Changing colors, making waves  
 Am Something new in every day  
 Em Wide awake, I live the dream

C Beneath the stars, under the sea  
 Am C And now the current carries me

G Out of my shell  
 D Just like a pearl Luminous, rare  
 C Light up the world  
 G Right in the swell  
 D Still the same girl  
 Am C Making things better, better, better  
 Em Light up the world  
 C You know make it your own  
 Come home  
 Em Light up the world  
 D C Into the glow  
 G When I was younger, yesterday  
 G Out of my shell (out of my shell)  
 D Just like a pearl (just like a pearl)  
 Am Luminous, rare (luminous, rare)  
 C Light up the world (light up the world)  
 G Right in the swell (right in the swell)  
 D Still the same girl (still the same girl)  
 Am C Making things better, better, better  
 G Light up the world
