

Barbra Streisand - All Of My Life

Tom: G

Intro: G Gb F E D

There are times when I should go away to think of you and I
 For it isn't only now, I need your love, all of my life
 In the night time when, I lie awake and think of you in my arms
 For it isn't only now, I need your kiss, all of my life
 Oh, wouldn't you believe me if I told you that I love you, and I do
 Everyone believes me when I tell them, why don't you, why don't you
 When I think of things that ought to be and I feel your hand in mine

in mine
 Yes, it isn't only now, I need your love, all of my life, all of my life
 La, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la
 All of my life, all of my life
 Oh, wouldn't you believe me if I told you that I love you, and I do
 Everyone believes me when I tell them, why don't you? Why don't you
 When I think of things that ought to be and I feel your hand in mine
 Yes, it isn't only now, I need your love all of my life
 All of my life, all of my life, all of my life, all of my life
