

Barbra Streisand - Memory

Tom: Db

(com acordes na forma de C)
Capostrate na 1ª casa

A
Midnight
Not a sound from the pavement
Has the moon lost her memory?
She is smiling alone
In the lamplight
The withered leaves collect at my feet
And the wind
Begins to moan
A
Memory
All alone in the moonlight
I can smile at the old days
I was beautiful then
I remember
The time I knew what happiness was
Let the memory
Live again
Dbm D7M(b5) D7M
Every street lamp
Dbm D7M(b5) D7M
Seems to beat
A fatalistic warning
Someone mutters
And a street lamp gutters

And soon it will be morning

A
Daylight
I must wait for the sunrise
I must think for a new life
And I mustn't give in
When the dawn comes
Tonight will be a memory too
And a new day
Will begin
[Solo] F Dm Bb F
Am Bb7 Bb7
Burnt out ends
Of smoky days
The stale cold smell of morning
The street lamp dies
Another night is over
Another day is dawning

C
Touch me
It's so easy to leave me
All alone with the memory
Of my days in the sun
If you touch me
You'll understand what happiness is
Look, a new day
Has begun
