

Barbra Streisand - Tell Him

```
Tom: D
   Intro: Am
I'm scared
So afraid to show I care
Will he think me weak
If I tremble when I speak, oooh what if
There's another one he's thinking of
Maybe he's in love
I'd feel like a fool
                                                      C
Life can be so cruel I don't know what to do
I've been there
With my heart out in my hand
But what you must understand
You can't let the chance
To love him pass you by
Tell him, tell him that the sun and moon
Rise in his eyes reach out to him
And whisper, tender words so soft and sweet
Hold him close to feel his heart beat
Love will be the gift you give yourself
Touch him, with the gentleness you feel inside
Your love can't be denied
The truth will set you free
```

```
You'll have what's mean to be, all in time you'll see
I love him, of that much I can be sure
I don't think I could endure, if I let him walk away
When I have so much to say
Tell him, tell him that the sun and moon rise in his eyes
Reach out to him, and whisper, tender words so soft and sweet
Hold him close to feel his heart beat
Love will be the gift you give yourself
Love is light that surely glows
In the hearts of those who know
It's a steady flame that grows
                                                    Ghm
Feed the fire with all the passion you can show
Tonight love will assume its place
This memory time cannot erase
Blind faith will lead love where it has to go
Tell him, tell him that the sun and moon
                 Gb
Rise in his eyes, reach out to him
And whisper, tender words so soft and sweet
Hold him close to feel his heart beat
Love will be the gift you give yourself
              Gbm
Never let him go
