

# Barbra Streisand - The Shadow Of Your Smile

Tom: G

Intro: A7 Am7 D D7 D7 G Cdim B7

The shadow of your smile when you are gone  
 Will color all my dreams and light the dawn  
 Look into my eyes, my love, and see  
 All the lovely things you are to me  
 Our wistful little star went far too high  
 A teardrop kissed your lips, and so did I  
 Now when I remember spring

All the joy that love can bring  
 I will be remembering the shadow of your smile  
 Interlude:  
 Our wistful little star went far too high  
 A teardrop kissed your lips, and so did I  
 Now when I remember spring  
 All the joy that love can bring  
 I will be remembering  
 The shadow of your smile
