

Barbra Streisand - The Shadow Of Your Smile

Tom: G

Intro: A7 Am7 D D7 D7 G Cdim B7

The shadow of your smile when you are gone
 Will color all my dreams and light the dawn
 Look into my eyes, my love, and see
 All the lovely things you are to me
 Our wistful little star went far too high
 A teardrop kissed your lips, and so did I
 Now when I remember spring

All the joy that love can bring
 I will be remembering the shadow of your smile
 Interlude:
 Our wistful little star went far too high
 A teardrop kissed your lips, and so did I
 Now when I remember spring
 All the joy that love can bring
 I will be remembering
 The shadow of your smile
